- Sloan Invitational
    - We have a SignUp Genius for volunteers that is combined for both teams. Anticipate meet running from 9-2:30 so will have two volunteer shifts; 9:00-12:00 and 12:00-3:00 for timers. Concessions will be approximately 7:30-9:30, 9:30-11:30, 11:30-1:30. Michelle creating a second SignUp Genius for hospitality room donations for parents to send food items for officials, volunteers, coaches (approx. 50 people).
    - Committed teams: The Woodlands, A&M Consolidated, Willis, Tomball, Klein Forest, Lake Creek, Nacogdoches, Cy-Park for a total of 10 teams. About double the size of last year. Hoping to be able to get meet finished by 2:00 before buses leave or after closer to 3:00. Will probably have about 300 entries.
    - Concessions: Discussed having the idea of concessions: could try to run ourselves, purchase the food and have volunteers run it and keep the profit, or have crew bring in the food and run it and they keep the profit. Keep items simple, could have some breakfast items, candy, drinks, chips; could also look at having something like Chick-fil-A or Canes and sell the meals. Will try it this year, will add a few slots to the SignUp Genius (Jennie and Jessica will work on determining purchases) and try to get info to Coskey in a week or so to send it out to committed teams.
    - Athlete meals - Jersey Mike's for our team, 11:00 drop off at natatorium
    - Video for meet - getting pictures from family for video to play at beginning; will have lane 4 dedication again during 400 to honor Jessica. We also have a list of her favorite flowers to purchase.
    - Will keep communication with MWHS booster regarding plans as date approaches.
